

## **ROOKIE OF THE YEAR AWARD AWARDEE**

**Karolina Ruan-Lei  
Environmental Protection Agency**

Karolina started her federal career at the US EPA Region 6 in Fall 2018. Karolina works as a rule writer in the State Planning and Implementation Branch in the Air and Radiation Division and is also the current Asian American & Pacific Islander Special Emphasis Program Manager for her region. Before joining EPA, she worked as an environmental specialist for the Stormwater Management Division's Water Quality Group at the City of Dallas. Karolina grew up in the Dallas-Fort Worth metroplex and received her Bachelor of Science in Chemical Engineering from the University of Texas at Austin in 2016.
